

ENVIRONMENTAL IMPACT ASSESSMENT (EIA) STUDIES FOR GAS BASED COMBINED CYCLE POWER PLANTS STATUS AS ON FEBRUARY, 2012

Scope: *Preparation of Environmental Impact Assessment Report*

| Name of Project | Capacity (MW) | Date of Award | Present Status |
|---|------------------|------------------|--|
| At Jhajjar in Haryana of Tata Power Co. Ltd. | 1000 | Nov. 2005 | Final report submitted |
| At Dholpur in Rajasthan of Tata Power Co. Ltd. | 1000 | March 2005 | Final report submitted |
| At Kasargod in Kerela of Finolex Energy Corporation Ltd. | 1x500 | February 1995 | Final report approved by MOEF |
| At Yanam in Andhra Pradesh of Yanam Power Generation (P) Ltd. | 375 | Nov. 2009 | In progress |
| At Jhabua in Madhya Pradesh of Kedia Power Ltd. | 330 | November 1995 | Final report approved by MOEF |
| Guna Combined Cycle Power Project of STI | 330 | December 1994 | Final report approved by MOEF |
| Dhuvaran Combined Cycle Power Pplant Stage-II of Gujarat State Electricity Corporation Ltd. | 300 | May 2005 | Final report submitted |
| At Ratnagiri in Maharashtra of Finolex | 300 | December 1994 | Final report submitted. Project dropped |
| At Hospet in Karnataka of Deccan Power Corpn. Ltd. | 2x225 | March 1996 | Final report submitted |
| At Jegurupadu in Andhra Pradesh (Extn.) of GVK Industries | 216 | July 1995 | Final report approved by MOEF |
| At Jegurupadu in Andhra Pradesh of GVK Industries | 200 | July 1993 | Final report approved by MOEF |

| | | | |
|--|------------------|----------------|-------------------------------|
| Of Smith Cogeneration, USA | 2x160 | March 1996 | Final report submitted |
| In Gujarat of Gujarat State Petroleum Corporation | 160 | May 1998 | Final report approved by MOEF |
| At Hazira in Gujarat of Gujarat State Energy Generation Ltd. | 156 | March 2001 | Final report approved by MOEF |
| At Gwalior in Madhya Pradesh | 3x100 + 1x150 | February 1989 | Final Report approved by MOEF |
| At Guna in Madhya Pradesh | 3x100 + 1x150 | February 1989 | Final Report approved by MOEF |
| At Raigarh in Madhya Pradesh | 3x100 + 1x150 | February 1989 | Final Report approved by MOEF |
| At Jhabua in Madhya Pradesh | 3x100 + 1x150 | February 1989 | Final Report approved by MOEF |
| At Jegurupadu in Andhra Pradesh | 3x135 + 1x135 | September 1990 | Final Report approved by MOEF |
| At Indore in Madhya Pradesh of S.P. Power Co. Ltd. | 120 | May 1995 | Final report approved by MOEF |
| At Gwalior in Madhya Pradesh of Tomen Corporation | 120 | October 1994 | Final report approved by MOEF |
| At Dhuvaran in Gujarat | 110 | April 1998 | Final report approved by MOEF |
| At Kuttalam in Tamil Nadu of TNEB | 100 | September 1999 | Final report approved by MOEF |

| | | | |
|---|-----|---------------|--|
| At Samalpatti in Tamil Nadu of Samalpatti Power Co., Coimbatore | 100 | January 1996 | Final report submit- ted (Site changed after submission of final report) |
| At Chandausi in Uttar Pradesh of U.P. Power Partners Pvt. Ltd. | 100 | November 1995 | Final report approved by MOEF |
| At Faridabad in Haryana of Faridabad Captive Power Systems Ltd. | 100 | December 1988 | Final Report approved by MOEF |
| Of Vardhan Infrastructure Ltd. | 100 | December 1996 | Final report submitted |
